

Paw Prints

MAY 1987

FROM THE PREZ

This past weekend's snow storm probably left most of us reeling. Saturday night when I had 18 inches of snow in my driveway, I was beginning to wonder if Spring was really here. The beginning of this week reaffirmed it. With temperatures in the 60's, it felt like cruising weather.

As I was looking for a posi-unit for my car, I found a company in California that not only rebuilds the units, but even has a few NOS units in stock. Now you know that a "used" rearend of the positraction type can run from \$100 to \$200 usually with not too much of a guarentee that it is in top shape. It can be an expensive gamble. If you are in the market for something of this type, contact:

 Ask for Larry

My hat goes off to the Kantner Company. While installing a lower ball joint, a friend pinched the rubber boot and ruined the ball joint. I called Kantner to order another part and explained what happened. They sent me a new ball joint at NO charge. Now that's good PR.

We need to have a good turn out at our show in May. If your GTO is running, bring it on out. You don't have to worry about showing the car, and if you are worrying about rain, forget it. I have personally ordered a bright, sunny day for May 2. We need to get fliers out and contact everyone who owns a GTO. Even if they don't want to show their car, encourage them to drive it to the show. Also, don't forget to contact Rob and/or Richard to volunteer to help May 2 at the show.

Open Letter To GTOACO

As a member who was in attendance at the March GTO meeting, there was much talk and concern about the future of our Paw Prints. Everyone was in agreement that it is a very vital part of our club. There were numerous suggestions about ways to improve it and to try and up the interest of the membership. The following is list of suggestions that were brought up at meeting.

1. List of parts or autos needed by members.
2. List of parts for sale.
3. Have members submit questions concerning their cars.
4. Pictures and short story about your car. This does not need be in detail.
5. Any information technical or otherwise that members might have to share. Shows you've attended, work you've done on your GTO etc.

Any or all of this information should be typed if possible as this will speed up the process and help our editor Jeff Inskeep. We as members of this club have as much responsibility as the editor to see that our Paw Prints is the best that it can be. In some cases this is the only means of communication with some of our members who cannot attend meetings. It would be great to see some new faces at our meetings.

Remember the Nationals and our spring show are coming and we need to show that our membership support our club activities.

Announces Their 2nd Annual

All GTO Show & Swap Meet

Saturday, May 2, 1987

Sponsored by
Dave Gill Pontiac

4700 E. Broad Street at Hamilton
Columbus, Ohio

Dear GTOACO,

I am really enthusiastic about our show this week end. The forecast which almost killed us at our first show, looks good for this weekend. Dave Gill Pontiac especially Rick Ross has been very helpful in putting the show together. The facility is probably the best dealership in Central Ohio as far as accomodations go that you could have a show such as ours.

One person who has "taken the Goat by the horns" by making sure everything from dashplaques to cold pop has been taken care of. Without Richard Whaley's dedication this show would not be the "class act" the GTOACO is used to putting on!

Anyone who would like to help set up Friday night be there at 7:00pm. This is when we will be organizing the parking and vendors spaces. We could still use some help on Saturday selling pop and parking cars.

If you can't help the biggest thing you can do is bring your Goat to the show. You don't have to be judged and take it from me Mr. Primer your car does not have to be perfect to be appreciated. Hope to see you there.

Enclosed in this issue is the new 1987 Roster and your membership card if you didnt get it at the last meeting. Any corrections call Jeff at 614/891-6679. The GTOAA should be glad to know that out of 50 family GTOAA memberships 30 are members of the Nationals. Maybe by the Nationals in July we could be 100% members. If you need an application just contact any officer.

MEMBER PROFILE

I'M A FOREMAN AT WHEELING-PITTSBURGH STEEL CORPORATION IN STEUBENVILLE, OHIO. I'M 40 YEARS OLD, MARRIED, NO CHILDREN (ONE BASSET HOUND CALLED BRIDGETTE).

I ENJOY SWIMMING, RESTORING OLD CARS, GOING TO CAR MEETS, WORKING WITH WOOD AND TAKING CARE OF MY 'WONDERFUL' WIFE, SHEILA. (BY THE WAY, SHEILA IS TYPING THIS).

I BOUGHT MY 1967 GTO, BRAND NEW, RIGHT OFF THE SHOWROOM FLOOR - I'VE LOVED THEM EVER SINCE AND PURCHASED A '67 IN GEORGIA ABOUT 2 YEARS AGO. I PLAN ON RESTORING IT AND GETTING IT OUT ON THE ROAD, AGAIN (SOUNDS LIKE WILLIE NELSON). I AM IN NEED OF SOME PARTS AND REALLY APPRECIATE THE LISTING EACH MONTH IN THE 'PAW PRINTS.'

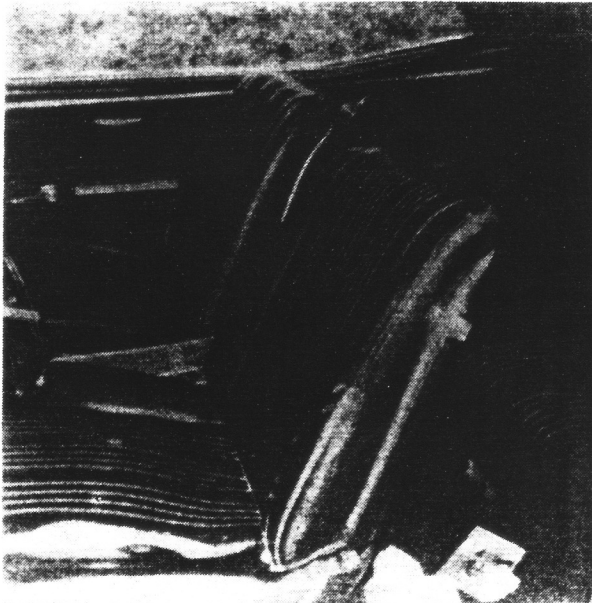

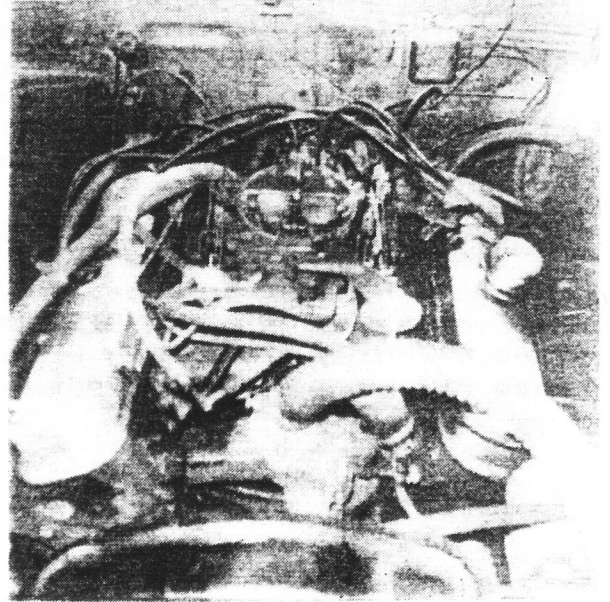

AS YOU CAN SEE FROM THE PHOTOS, I HAVE ALOT OF WORK AHEAD OF ME, BUT IT IS SOMETHING I REALLY ENJOY DOING AND AM IN NO HURRY - I WORK AS I GET TIME.

AS ALL YOU CAR BUFFS KNOW - YOUR CAR IS ALWAYS YOUR FIRST LOVE (EVEN SHEILA KNOWS THAT).

WILLIAM F. CHICKICK

WILLIAM,
SORRY IT TOOK SO
LONG TO RUN YOUR PICS.
ALL OF US WILL BE LOOKING FORWARD
TO SEEING HOW YOUR CAR IS COMING
ALONG.
HOPE TO SEE YOU AT
DAVE GILL MAY 2!
