NOVEMBER 1987

CHRISTMAS PARTY

It is time to mark your calendar for the fourth annual GTOACO Christmas party. This years event will be held December 12 at the Radisson Hotel Columbus North located at 4900 Sinclair Road (just north of Morse Rd & I-71). Cost for the evening will be \$10.00 per person plus drinks from the cash bar. For out of town members or anyone who desires to spend the evening the Radisson has rooms available at a discount rate if you mention you are with GTOACO call 846-0300.

The evening will start with a cash bar at 7:00 with dinner at 8:00. After dinner we will install our 1988 officers, distribute "special recognition" awards and raffle off door prizes. Immediately following we will either take in some entertainment in the lounge or retire to the hospitality suite that will have an open bar and not to be missed blankenship (oppo I mean fellowship).

This year a reservation committee will be calling you to see if you are attending the event. If you haven't heard from us by Nov. 18 and wish to rsvp please call Diane Evans at 614/927-5302.

I am currently employed in management with Odd/Lots. My wife, Debrah, works as an LPN and she also serves in the Army Reserve.

I have always had an intrest in muscle cars, which is why I purchased my 68 GTO eighteen years ago.

Treasure Hunting

This month's treasure is what may be the last of the sheet metal available from G.M. for the early GTO's (64-67). Part number 7651686 is the rear end panel for the 67 GTO only. This part is one that is needed for most restorations of the 67 because the foam gaskets used around the tail lights soak up and hold water and cause these panels to rust out. Few 67 rear end panels have survived with out rust or collision damage. So if you own a 67 or maybe you're just a treasure hunter then it certainly would not hurt to pick up a rear end panel. Price on this part is still reasonable but once it goes out of the G.M. inventory you can expect the vendor price to sky rocket.
