OCTOBER 1990

TO ALL MY GTO FRIENDS,

I WOULD LIKE TO APOLOGIZE FOR THE NEWSLETTER BEING SO LATE. IT SEEMS WITH OUR EVER-CHANGING SCHEDULES JEFF AND I CAN'T SEEM TO GET TOGETHER. WE WILL TRY TO DO BETTER IN THE NEXT FEW MONTHS.

I KNOW IT IS LATE NOTICE BUT WE ARE GOING TO BE JUDGING A 1964 HARDTOP AT THE NEXT MEETING FOR THOSE OF YOU WHO HAVE BEEN JUDGING ASSISTANTS IN THE PAST OR ANYONE INTERESTED IN LEARNING MORE ABOUT JUDGING CARS. WE WILL HAVE JUDGING SHEETS FOR EVERYONE SO YOU WILL BE ABLE TO ACTUALLY JUDGE THE CAR AND COMPARE YOUR SCORES WITH THE OTHERS. IT SHOULD BE REAL INFORMATIVE FOR EVERYONE. THERE WILL BE A SHORT MEETING BEFORE HAND AND THEN WE WILL GO DOWN TO JUDGE THE CAR. WE WILL JUDGE AN EARLY MODEL FIRST AND IF THERE IS ENOUGH INTEREST WE WILL JUDGE A LATER MODEL. IT'S ALL UP TO YOU. WE ARE WILLING AND ABLE TO DO THINGS LIKE THIS IF WE CAN GET PEOPLE TO COME OUT AND JOIN IN.

OCTOBER 14TH WE WILL BE GOING TO HOCKING HILLS FOR A CRUISE AND A COOKOUT AT JEFF & LYNN INSKEEP'S CABIN. THE LAST TIME WE DID THIS WE HAD A GOOD TIME AND WE WANTED TO DO IT AGAIN. PLEASE CALL ME AT 927-5302 OR JEFF & LYNN AT 891-6679 FOR MORE DETAILS OR COME TO THE MEETING TO FIND OUT WHAT IS GOING ON.

THE HOLIDAY PARTY WILL BE IN WESTERVILLE THIS YEAR AT JEFF & LYNN INSKEEP'S HOME SO STAY TUNED FOR MORE DETAILS LATER. WE HAVE MADE IT EARLY IN 1991 SO WE CAN GET AWAY FROM ALL THOSE DECEMBER OFFICE PARTIES WE SEEM TO BE CONFLICTING WITH EVERY YEAR.

AGAIN I'M SORRY ABOUT THE PAW PRINTS BEING LATE. WE WILL DO BETTER!!

SO LONG FOR NOW,

GTOACO Meeting at Dennis Pontiac September 12, 1990

Meeting was called to order by Jim Evans. Motion was made by Debbie Scott to approve last months minutes. Seconded by Neal Blankenship. Minutes were approved.

Old Business Jim Evans asked Neal Blankenship if he will still do a judging tech session. Neal will do this if there is still interst. He will do the tech session at the October meeting. Richard Whaley will get with Dennis Pontiac and make sure we have space to put a car inside. Andy Syrkin will bring his car to be used for judging.

Andy Syrkin will be heading up the judges at next years spring show. He will be contacting people in the future.

Fall Cruise is scheduled for October 14. To Inskeep's cabin in the woods.

Rogers Show in Dayton. We will be meeting at Perkins at 9:30 sharp. September 15, 1990. This is a great show. Everyone get out and have fun.

Huber Heights Show in Springfield. September 23. Registration 8:30-12:30, \$7.00 at the gate. They have two classes for GTOs.

We were to have a vote on where to have the holiday party but the two families that volunteered to have the party were not in attendance. Jim will contact them and see if they are still interested in having the party in January 1991. We will take a vote on this soon.

Next month is nominations of new officers. If you are interested in being an officer or would like to nominate someone please call Jim Evans 927-5302 or Nancy Whaley 837-4416. We will take nominations at next months meeting so plan on attending October 10 7:00.

Andy Syrkin proposed we have a drag day at National Trails on a Sunday in conjunction with a regular scheduled event that is already going on. He suggested that maybe we could get our own lanes. Have a good time and he would bring the Legend. Maybe advertise in the Dispatch for all Pontiacs and everyone interested. Jim Evans will check into this.

Geoff Ludwig asked if we get a club discount anywhere. We do get trade price at Dennis Pontiac. He suggested NAPA. He brought an application and gave to Jim Evans who will handle this. He also asked if anyone knows of a good chrome plater. If anyone knows of any platers or anyone else in repair business or someone who you have done business with please give Jim Evans or Nancy Whaley a call and we will see that the info gets passed onto others in the club.

Nancy wants to purchase several new photo albums for the club pictures. Neal made motion to buy four photo albums seconded by Richard. Motion passed.

Richard asked if the club was interested in purchasing the walkie talkies that we have used at the spring show for the last several years. Kurt Pearce made motion to purchase the four walkie talkies for \$100. Debbie Scott seconded the motion. Motion carried.

There was some discussion on possibly purchasing a computer. Jim Evans and others will check into a used one. This was tabled until a later date.

Neal brought up about updating and expanding the code books. He needs any service bulletins or any other articles that anyone might have in their possession. Please contact Neal as soon as possible at 459-0352 before 9:00pm.

Neal made a motion to update and sell the code books to the GTOAA. It would then belong to the GTOAA with their name on it and not our local club. We would still have exclusive rights to sell this book at our shows and to members. National organization would sell the books and keep the bulk of them and rebate to us a per centage from sales. Motion was voted on and approved.

Aaron of Dennis wanted to make sure that we knew about all new development on the land beside dealership. He will have 15 acres paved by next year. He is looking to have a great show next year.

50/50 Drawing winner was Kurt Pearce. \$5.00 will go to our charity.

Motion to adjourn meeting.

Respectfully submitted by:

Nancy Whaley
Secretary

Members in attendance:

FILE REF. 65-113

NO. 10

SUBJECT: GTO AND 2+2 DECOR STRIPE INSTALLATION

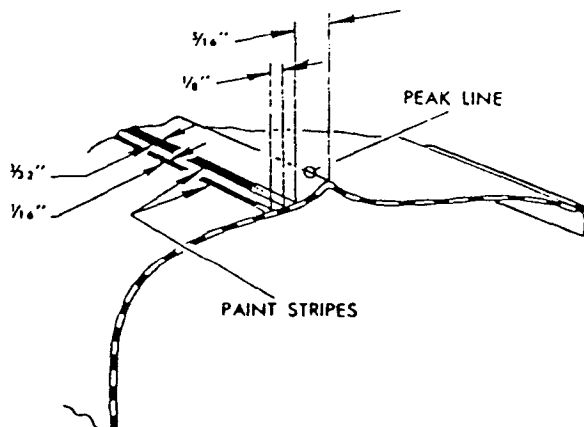

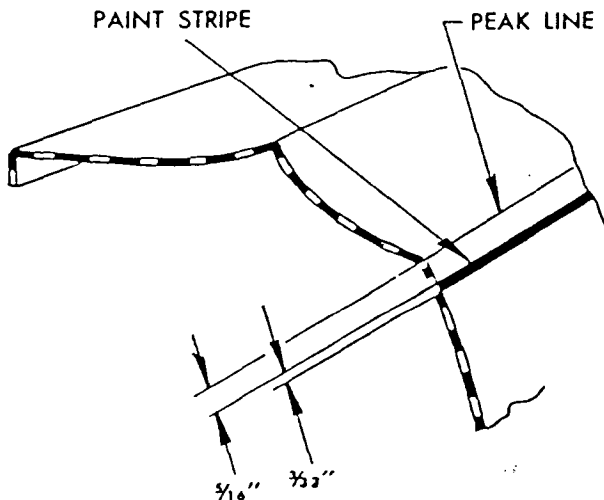

1. Wipe area to be striped with a wax removing solvent and a clean cloth.

- A. Spacing of tape on the panels should be as follows:

GTO Models -- Top of stripe should be $\frac{5}{16}$ " below the accent line on the upper edge of the panel. The top of the tape will follow approximately $\frac{1}{8}$ " below this accent line (Fig. II).

2+2 Models -- The top of the upper paint stripe should be $\frac{5}{16}$ " below the accent line on the upper edge of the panel. The top of the tape will follow this line. The second stripe will be spaced $\frac{1}{8}$ " below the top stripe (Fig. III).

- B. On severe corners, such as are encountered at the rear quarter panel extension, it will facilitate installation of the tape if the required length is cut, separated and applied as individual strips in the proper sequence.
- C. Sight down the length of the panel and check for accuracy of tape line.
