They were heady times, those days of High Performance and Musclicars. And at the forefront of the movement was the phenomenal Pontiac GTO. Today, the GTO has emerged as a highly prized collector car that is rapidly increasing in value.

At the forefront of this renewed interest in the Pontiac GTO is the fastest growing GTO Club in the World: The GTO Association of America, Inc. Recognized as the voice of the GTO enthusiast, the GTOAA membership roles include not only the United States and Canada, but Australia, England, Switzerland, Germany and many other countries.

PUBLICATIONS

MONTHLY MAGAZINE - Winner of the prestigious **OLD CARS WEEKLY** Golden Quill Award, **THE LEGEND** is the monthly magazine of the GTOAA. Each issue contains articles on restoration and technical information, as well as feature articles on members' GTOs, performance tips, and GTO history. The activities of GTOAA Chapters across the country are reported, and each month **THE LEGEND** brings you feature columns by knowledgeable Pontiac enthusiasts.

The Classified Section of **THE LEGEND** is one of the largest all-GTO classifieds in the nation. Cars, parts, and literature can be sold or wanted. Members may insert up to 50 words free each month as part of their membership privileges.

ROSTER - The GTO Association of America Roster is published yearly, and includes each member and associate member's name, along with their address, telephone number, and a list of their GTOs. These GTO "fellow pages" are available only to Club members.

LIBRARY

The GTOAA Technical Staff has compiled a complete information source in the form of factory service manuals, sales literature, magazine articles, advertisements, press releases, and much more. The information is available to members only through the GTOAA Technical Staff.

TECHNICAL ADVISORS

The GTOAA Chief Technical Advisor appoints a Technical Advisory Staff to assist with questions regarding restoration and maintenance of members' GTOs. Problems ranging from paint to suspensions, from interiors to drivetrains, can all be answered by the GTOAA Technical Staff.

CHAPTERS

The GTOAA has Official Chapters throughout the United States, with more being added all the time. The local Chapters sponsor shows, runs, tours, rallies, and promote GTO enthusiasm on the local level. The GTOAA has a Chapter Coordinator to help you start a Chapter in your area if there isn't one there already.

INTERNATIONAL MEET

The Annual GTOAA International Meet is the highlight of the year for GTO enthusiasts, and has become the largest gathering of the GTO faithful in the World. Highlights of the Annual Meet include Performance and Technical Seminars, GTO Concours Show, GTO Swap Meet, and Awards Banquet with Guest Speaker.

The GTO Association of America is a dedicated group of GTO enthusiasts whose goal is to provide GTOAA members with the best possible Club services. October 14, 1992 GTOACO Meeting

Meeting was called to order by Jim Evans. Treasurer report was given.

Jim welcomed and introduced our newest member in attendance Brian Toppings.

Richard brought up that the copier that Inskeep Printers loaned to us needs repairs. Kevin Johnston made motion to fix the machine, seconded by Gary Turnmire. Motion passed Nancy will call repair shop.

Picnic at the Whaley's was a success. Jim was sore afterwards. Kevin Johnston is looking for a plate, if anyone has one that does not belong to them please bring to next meeting.

Nominations of next years officers.

Geof Ludwig nominated Jim Evans for President, seconded by Richard Whaley.

Jeff Inskeep nominated Neal Blankenship for President, seconded by Kevin Johnston.

Nancy Whaley nominated Jeff Inskeep for Vice President, seconded by Geof Ludwig

Lynn Inskeep nominated Nancy Whaley for Secretary, seconded by Kevin Johnston.

Geof Ludwig nominated Richard Whaley for Treasurer, seconded by Margaret Turnmire.

Two directors positions are open

Richard Whaley nominated Geof Ludwig, seconded by Gary Turnmire.

Jim Evans nominated Gary Turnmire, seconded by Nancy Whaley.

Kevin Johnston nominated Bill Hartley, seconded by Lynn Inskeep.

Anyone else interested in running for office please call Jim Evans 927-5302. Please volunteer and let some of the rest of us off the hook.

Points system that has been presented by Bill Barton.

Jim Evans presented two different points systems, one by Bill and one by him.

Jeff Inskeep wants to add points for articles for Paw Prints. 2 points.

Jeff and Jim won't get any points for this. Officers do get points for attending meetings. One important fact was decided. No matter how many

cars show, only get 3 points, these points will be given to both member and associate member if both present. Points for cars at local show can be for any Pontiac. Points for national show must be GTO or GT37.

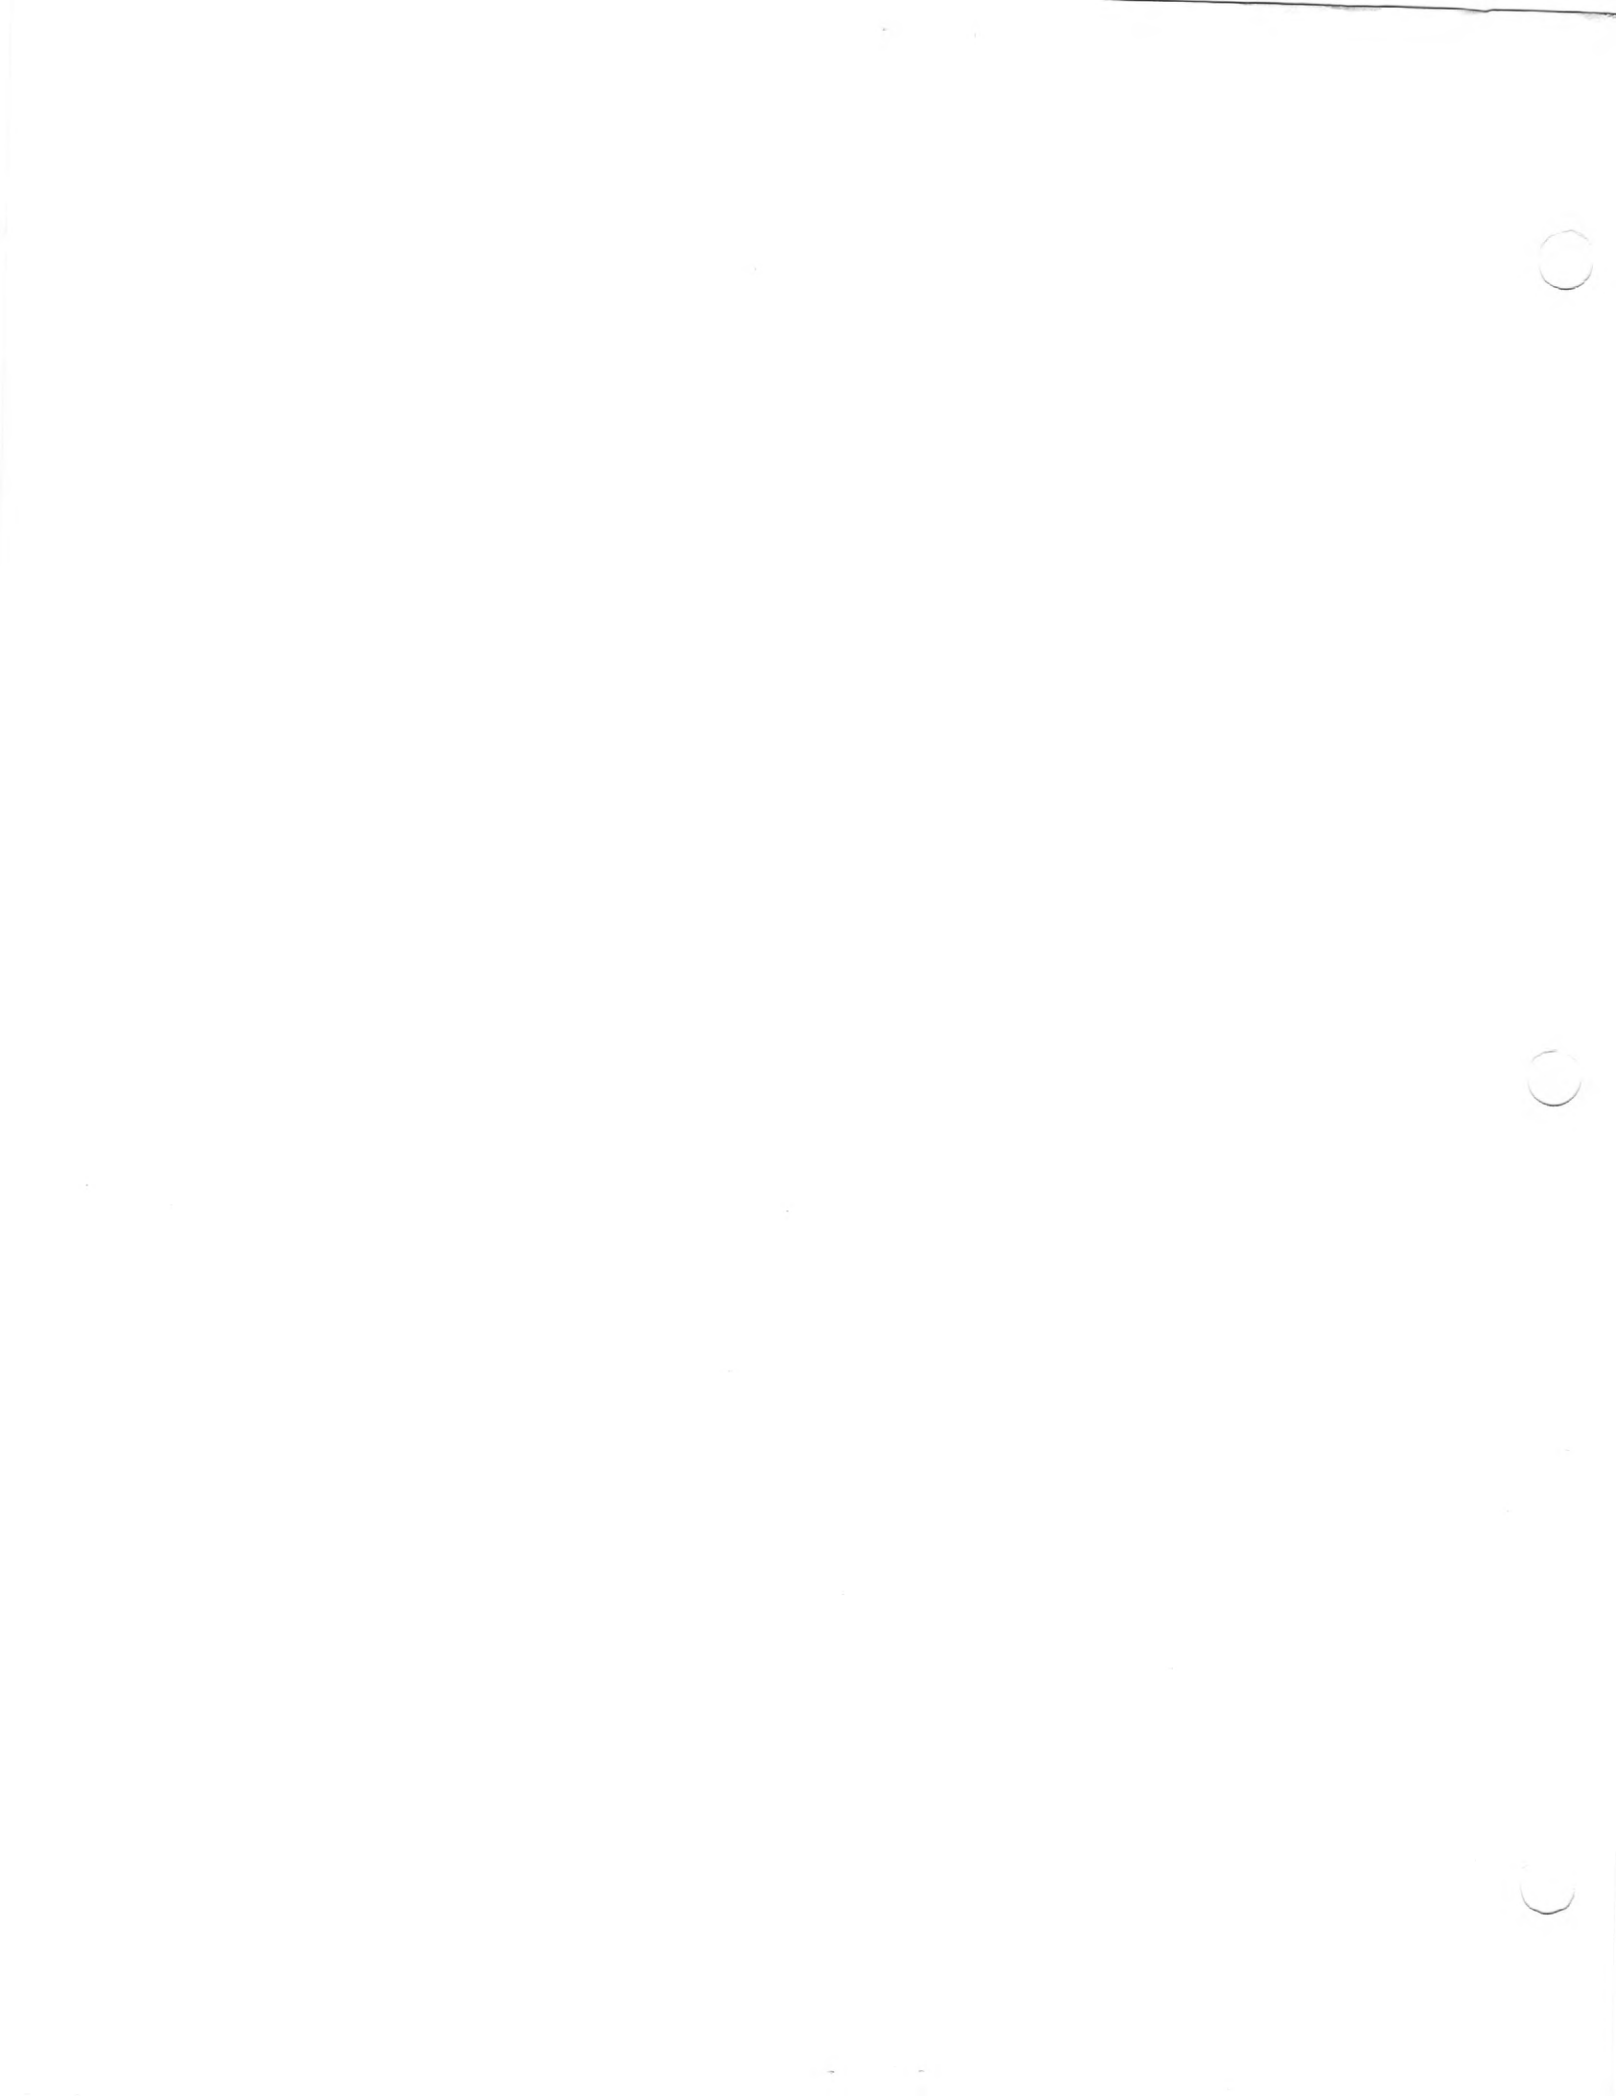

Jeff suggested adding extra credit category of 3 points. This category for other regional, local POCI shows etc. This was tabled and will be discussed more next month. Please attend next month meeting as we need to finish discussing this point system and get it started.

We need a place and date for the Holiday Party. Anyone interested call Jim Evans.

Swap Meet for next year has been scheduled if OK with Dennis Pontiac for February 28, 1993. Kevin Johnston has volunteered to chair this function.

50/50 drawing winner was Jordan Inskeep who just happened to draw his own number. If he wasn't so young and cute we would think it was rigged. \$6.00 goes to our charity.

Respectfully submitted by
Nancy Whaley, Secretary
