## To All My GTO Friends:

It's getting close to Car Wars at the State Fairgrounds. We have some of our members who are going to have their cars at the show. If you get a chance to come to the show please do so to support all the club members that will have their cars at the show. Remember the dates for the show May 9<sup>th</sup>-11<sup>th</sup> Hope to see you all there. If you are not on this list and want to show your car please feel free to call me 614-927-5302.

The club seems to be coming together, there has been more interest at the meetings and more members have been showing up. I hope this trend keeps going. We need all the members we can get at the meetings with all the things that are coming up. This summer will be a summer to remember, with all the shows and cruise-ins to go to. If you have a show or a cruise that you think the club should go to as a group, please come to the meeting and let us know what you think. We need the input from all members.

The summer show is July 20<sup>th</sup> and we will need all the help we can get. As in the past a club member will be calling you to find out what you want to do to help at the show. We need members to judge, park cars, run registration, help with vendors, also tabulations. We need the help from all members.

There is not a whole lot to say right now so I think I had better go work on the GTO so I will have it ready for next weekend.

So Long For Now
