With the end of 2010 here, we look to 2011 for what's ahead of us.

Of course there is the Holiday Party. A tentative date is set at February 19, but we thought it would be best to confirm it with Lonnie and Lynne. Seems only right; it is their house. :)

Next comes the 2011 Swap Meet which will be March 20 at Haydocy Automotive. Come out early to help set up or stay to help clean up. Flyers have already been labeled (at the December

meeting) and mailed.

The single biggest event is our new Cruise Night the Friday before our 2011 Indian Uprising. See the December club meeting minutes inside and dedicated page with information for updates to this big event. It looks to be a fun and potentially huge event.

We also have the 2011 car show season coming. Yes, it seems like an eon away with the coldest December we've had in years and

snow on the ground and staying around, but it will be here sooner than you think. Hopefully, we can get some good old fashioned cruising in and club adventures together.

Finally, I'm looking for more tech articles. So write one up and send it in. I'm also looking for the next Member Spotlight. So watch out!

# 2010 Colo's Classic Car Show at the Columbus Zoo

On a surprisingly warm October 10, 2010, our club showed up at the Columbus Zoo to park cars for the 2010 Colo's Classic Car Show event held in Jungle Jack's Landing mini-amusement park. The weather was great and the turnout was even better. Marking the largest show the Zoo has had in the 3 years this event has been running, it was getting increasingly difficult to find places to park cars. But we got it done thanks to the help of the many members helping out (Brent Barham, Keith Stevens, Jeff Frazier, Doug Boyle, Jeff Inskeep, Jim Evans, Brian Diamico, Ron Cozzo, Jim Lowery and Kevin Russo).

Daddy Waggs and the portable QFM 96 studio was on hand to spin the tunes and help pass out the awards. Another great event with our club out in force and helping in force. Enjoy the pictures! If you want to see more, hit the web site's photo gallery.

Kevin will contact the Dublin Police to make sure we have the correct permits. Door prizes of about 100 will be needed and we will have the 50/50 drawing for both Friday and Saturday. Proceeds from that will go to the Prevent Blindness. We will put a sticker on the car to show that they have been judged. Top 40 awards for cars/trucks and top 10 awards for bikes. Porto Johns and trashcans will have to be purchased. After the meeting Kevin contacted the guys from Operation Buckeye and they are on board with the cruise in. The Cincinnati club also contacted Kevin and they would like to help out on the Saturday Pontiac Show. The Pontiac Show will not change. Classes will be about the same, Swap meet, \$15.00 per car. No charge to GTOACO members. We are hoping that the trailer parking will be across the street at Duke Realty. Kevin will get the contact person for this. We will have to be out of the hotel by 3:00PM incase they have a wedding reception that day. Mike Shockley will DJ. The hotel will also set up food for Saturday. The hotel has set the room rate for \$109.00 per night with no kick back to the club. Hopefully this will be a good rate for any out of town participants. Some club members showed interest in staying Friday night. It is a beautiful hotel.

**Continuous prayers to Mike, Wilma and Megan Shockley**

# 2010 Indian Uprising and Cruise-In Update

Our December meeting was held at the site of our 2010 Indian Uprising show and new Friday night cruise-in. The Marriott Northwest at Tuttle Crossing in Dublin. We spent a lot of meeting time discussing the show and cruise as well as hearing from the Marriot's event coordinator, Pat King who answered our questions and provided valuable information.

The date for event will be Friday, July 22 and Saturday, July 23rd.

The Friday night cruise-in will be open to all makes and models including motorcycles.

A lot of time was spent trying to come up with a name. To date, we still do not have a name/title for the cruise in so put your thinking caps on and we will decide on the it at the January meeting.

We will need lots of help getting all this setup as well as promoting it and running the event. The hotel will start blocking off the lot Thursday night and Friday morning.

Concessions and beer will be on sale by the hotel. This will help promote the hotel especially with reasonable pricing which Pat King agreed to have.

Registration for Friday night will be \$10.00 for cars/trucks and \$5.00 for bikes.

The band will be provided by 99.7 The Blitz. Kevin Landis was guaranteed that the band would play music appropriate for a car show but can also play from just about any era. The band will start at 7:00PM and play to 10:00PM. Kevin Landis will contact the Dublin Police to make sure we have the correct permits as Dublin is infamous for requiring permits for just about everything.

We will give away door prizes and have a 50/50 drawing on both days. Proceeds from the 50/50 will go to the Prevent Blindness.

While we will judge the Saturday Uprising as we have our show in the past, we will pick a Favorite 40 cars and 10 Bikes on Friday.

The Ohio Valley GTO Association has contacted us willing to help out as much as possible including funding. After the meeting Kevin contacted the guys from Operation Buckeye and they are on board with the cruise in.

On Saturday, we lowered the price of registration from \$20 to \$15. No charge to GTOACO members. We are hoping that the trailer parking will be across the street at Duke Realty. Kevin Landis will get the contact person for this.

We will have to be out of the hotel by 3:00PM in the event they book a wedding reception that day. Mike Shockley will DJ Saturday. The hotel will also take care of the food and drink for Saturday.

Finally, Kevin Landis was able to work with the hotel to get a room rate of \$109.00 per night by foregoing the kick back to our club.

Things are coming together. Keep your eyes here and come to the meetings for more updates. Watch for any additional planning meetings required as well.

Don't forget to help us pick a name for the Friday event at the January club meeting.
