Welcome to the unofficial start of summer!

As I write this month's letter to you, it is just before Memorial Day Weekend. Customarily known as that unofficial start of the summer. Summer doesn't actually start until June 21, but who's counting.

With summer starting, make sure your GTO or Pontiac is up and ready. The first club event of the season will be here the second weekend in June in Sugar creek, Ohio at the Fabulous 50s Fling. See the information page inside (page 8) now and get your room and let the Farlows know you are going. It looks to be a great event for the club so I hope the weather co-

operates.

Also in this edition is a wonderful thank you letter from the charity our club supports, Prevent Blindness of Ohio, thanking us for the donation we presented at our Club Spring Party.

Lastly is some news. Aaron Masterson who was the leader at Dennis Automotive retired a month or so ago. With his departure also went our club sponsorship. We are officially without a sponsor again. The June meeting will be at Lynne and Lonnie McLaughlin's. Please see the meeting minutes for details of time and RSVP for the small cookout they are planning ahead of the June

meeting. Their address is 5808 Tarton Circle North Dublin, OH 43017.

In the June meeting we will be discussing how we move forward from here and what changes occur.

Don't forget about looking at email or the club forum for weekly cruise-in info and club meet ups at those local events.

I hope to see you at the June Meeting. Until then or I see you at the May club meeting, have fun and stay safe!

Dear Ms. Landis:

Donna + Club Members -

On behalf of Prevent Blindness, thank you for your donation of \$2900 to our Annual Sight-Saving Campaign. Your generosity brings our mission to life – to prevent blindness and preserve sight – like in the case of Ed, a client from one of our partner organizations.

Ed recently completed a job readiness training program and was offered employment that would allow him to become self-sufficient. Before the new employer would accept him, however, he needed to have his vision corrected. Ed did not have the resources to get an eye exam and glasses, so his caseworker contacted Prevent Blindness and we came to the rescue. After being chronically unemployed, Ed was able to start his new job on time and become a productive worker and taxpayer. Ed would not have received this help, if not for your support!

Your investment helps our smallest Ohioans, too. Aaron's mother thought he saw the world just as perfectly as the world saw him. After we sponsored a vision screening at his preschool, Aaron's mom was stunned to learn that he did not pass the test and was referred to an eye doctor for further evaluation. Aaron suffered from amblyopia (lazy eye), a childhood eye disease that causes permanent vision loss by the age of six if not treated properly. Aaron's amblyopia was caught before irreversible vision loss occurred.

Prevention is simple and cost effective. Blindness and vision loss are not. Your support helped us provide direct services to more than 800,000 Ohioans last year through:

- Vision screening programs that find children and adults at highest risk for losing their vision and connecting them to professional eye care and eyeglasses.
- Educating Ohioans of all ages about the importance of protecting their eyes from injury at home, work, school, and play.
- Advocating for programs and policies that widen access to sight-saving care for individuals in urgent need so that vision can be preserved.

We say it all the time: *when it comes to eyes, you get one pair and no spare.* Thank you for your investment to protect and promote healthy vision. We encourage you and your loved ones to take good care of their eyes.

Sincerely,

Sherill
Sherill K. Williams

We are overwhelmed with the Club's generosity and on-going partnership!!!

P.S. Because no goods or services were furnished to you in exchange for this contribution, the entire amount can be considered for a tax deduction.

An "Oops" Moment on a Muncie 4 Speed

by Steve Schaeffer

I have been rebuilding Muncie 4 speed transmissions since 1966 and this is the first time that I have seen one try to go into two gears at the same time.

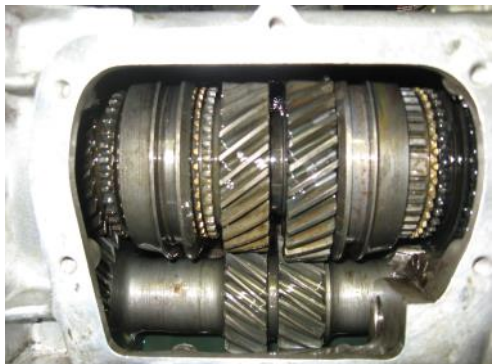

There is a pivot pin that goes through the side cover that the detent combs pivot on. The detent combs are part of the interlock mechanism so the transmission cannot engage two different gears at the same time.

The very early Muncie 4 speeds had a straight pivot pin that just pressed into the side cover. The revised pin has a "hat" on it that is clearly visible on the outside of the cover. The revised pin cannot pull thru the side cover and fall into the transmission.

The attached pictures are of a 1965 Muncie M-20 4 speed transmission. The 1st design pivot pin pulled thru the side cover letting the detent combs and spring fall into the case. As you can see from the before and after pictures the transmission sheared off a bunch of teeth on the cluster gear and also ruined both the second and third speed gears.

If you have an early Muncie 4 speed transmission be sure that the pivot pin has been replaced with the 2nd design pin with the "hat" on it. Now that these units are over 50 years old it appears that the stress over all these years allows the 1st design pivot pin to no longer be a press fit in the side cover. If it pulls thru the attached pictures can show you what happens.

Meeting Minutes May 10, 2017

President Ron Cozzo called the meeting to order. Those in attendance were Ron Cozzo, Austin Cozzo, Jeff Frazier, Lonnie McLaughlin, Brad Blackburn, Jess Girard, Jim Evans, Stan and Pam Farlow, Jim Lowery, Rob Wilson, Jerry and Tina Brownfield, Joe and Sony Block, Max Treier and Kevin Russo. An attendance sheet was not completed so I apologize for anyone I forgot.

Treasurer's Report: Ron Cozzo presented the Treasury Report for Mike Shockley. Joe Block motioned for acceptance, seconded by Rob Wilson.

Spring Club Cruise to Fabulous 50's Fling in Sugarcreek, OH June 9-10: Excitement on the first cruise of the year was apparent. The Cozzos, the Fraziers, the Farlows, the Barhams, the Blocks, the Treiers and Brad Blackburn are all planning on going. Members will meet at the DQ in New Albany (Blocks and Treiers will meet others at Sugarcreek). The caravan will leave DQ at 11:30am unless you inform Stan Farlow you are definitely going. Then they'll wait for a period of time. There is scheduled to be road repaving on SR 62 at some time now to October. Stan will find an alternate route. Again see page below for more info but get your room and inform Stan Farlow if you are going soon.

North Coast Pontiac Club Orphan Car Show: Anyone interested in going to this show up at the Quaker Steak and Lube in Valley View, OH should contact Ron Cozzo as he may be going as well. This is the northern Ohio GTO club.

GTOAA Nationals June 26-July 1 Springfield, IL: Members planning on attending are Lonnie McLaughlin, Ron Cozzo, the Siggs, Kevin Landis, and Rob Wilson. Look for more info around times and dates of potential caravans.

Battle of the Brands Car Show July 29 @ Big Walnut Grill: Plans still going well. Signs are up for the show in many places especially in Sunbury. Trophies yet to be done but basically we are ready. We will try to combine all three shows trophies for economy of scale (Battle of Brands, Summer Night Cruise-In and Indian Uprising).

Pontiac Nationals in Norwalk, OH August 4-6: Biggest Pontiac event in the nation. If you haven't been, you should go.

Summer Night Cruise-In and All Pontiac Indian Uprising August 19 & 20: Get your room reservation soon. The club needs to sell 20 rooms. We will need two generators to power the DJ and the Band. Trophies to be done together with the other shows. A new Dan's Deli vendor has been secured. Schmidts Sausage Truck may be Sunday's food vendor otherwise Dan's Deli both days. Mike Shockley will DJ on Sunday and Brian D'Amico on Saturday.

OVGTO All GM Show September 24: This is a nice show with a nice drive down to Lebanon. The club usually has a good group to caravan down. We will look to again have a nice group of members to head down.

Open Discussion: We have lost our sponsor again. Aaron Masterson retired and with him our sponsorship and our meeting place. Next month we will meet at Lonnie and Lynn McLaughlin's house (thanks for offering Lonnie) and discuss where we go from here. Lonnie offered a quick and easy cook out before the meeting. Come at 6pm but PLEASE LET LONNIE KNOW IF YOU ARE COMING FOR THE COOKOUT TO ENSURE ENOUGH FOOD (londart@aol.com).

Kevin Russo noted that both the Bucyrus Graffiti Cruise and the Upper Sandusky Autumn Cruise have shutdown much like the Delaware Vintage Auto Club stopped hosting the Blast from the Past. The shows are getting too big and perhaps the clubs are getting too long in years to keep it up.

HOWEVER, the Delaware show was picked up by Performance Dodge and Jeep as well as the Arthritis Foundation. The show will happen on August 26 with a cruise-in (free) at Chesrown in Delaware Friday, August 25. Kevin Russo is on the planning committee.

Earth Angel Foundation asked us for sponsorship again for this year's Super Cruise. Jim Evans made a motion seconded by Kevin Russo. The club voted to continue the sponsorship. We will use the ad space for our two day show in August.

Meeting Adjourned: Lonnie McLaughlin made the motion to adjourn the meeting 2nd by Max Treier.

Submitted by Kevin Russo for Donna Landis, Secretary

2017 GTOACO Spring Cruise to...

27th Annual Fabulous 50's Fling

We are planning a trip to the Fabulous 50's Fling in Sugarcreek Ohio on June 9 and 10. I know that seems like a long time away but we need to book a block of hotel rooms. The hotel has asked me to sign a contract by January 20th confirming that we will be coming. Rooms in Amish country on June weekends are generally full and expensive so the success of the trip is dependent on booking the rooms very soon. The trip is summarized below. I need confirmation that you plan on going by January 20th.
