Summer is has been kicked off! The unofficial start of the summer is Memorial Day Weekend! I hope you had a great holiday weekend but most importantly, I sincerely hope you took a moment to reflect on what this holiday really means. I hope you took some time to think about those service members that gave their lives, that gave their all and gave the ultimate sacrifice in service of our country. I also hope you went a step further and perhaps thought or even prayed for the family they left behind. God bless them all and my admiration and appreciate is all theirs.

So what's in this edition? Well, the coverage of the club spring cruise. Thanks to Brian

D'Amico for organizing such an amazing event! Also thanks to Stan Farlow for writing the article that is in this month's Paw Prints! I intend to send this piece to Tom Szymczyk for publication in the Legend; The magazine of the GTO Association of America. Hopefully, you'll get to read it twice.

There is also a cool Blast from the Past from Ron Cozzo I hope you enjoy.

Are you getting your car out or are you busy getting it ready for Nationals? I am doing the latter. Are you going to Nationals? I am and I'm planning to help out our friends of the OV-GTO at the event. What about you? Look for the information

from Stan Farlow about how and where to help out if you can, but don't forget to have fun with us too! That's what makes these national events fun, at least for me. Having fun with my club and other Pontiac enthusiasts.

Also, before you know it, our Battle of the Brands and our Indian Uprising shows will be upon us! I hope you'll help us out there too. I know you will.

Until the next meeting or the next car show I see you at, have fun and stay safe!

—Kevin

Club cars ready for a GREAT Spring cruise event!

's Letter

Summer is finally here. It's good to feel some warm temperatures and to spend some time with the GTO and visiting with friends at car shows.

GTOAA Nationals starts June 25 in Lawrenceburg Indiana. Several of us have been in contact with the Ohio Valley GTO Association as it plans and staffs the convention. So far we've been asked to take care of the popular vote tech inspection and help with the popular vote count. I will attend another meeting on June 4th where the intent is to finalize the staffing plan so there may be some more requests for help at that meeting. If you haven't registered for Nationals yet you need to do it very soon as June 1 is the deadline for several events and show classes. After June 1 you can still register but you need to check the calendar for limitations. The website is working well so it's easy to register and I know the Ohio Valley GTO Association folks are anxious to hear from you. This is going to be a good time at a great venue. There are still hotel rooms available at several local hotels. I hope many of you are planning on attending.

Our June 12 meeting will be held at the Big Walnut Grill in Sunbury as part of the preparation for the Battle of the Brands cruise-in on July 27. Brian D'Amico is leading this effort again this year. We expect it to be bigger and better than ever. This is one of our biggest fund raisers of the year and it takes several people to manage the gate, parking, and vote count. We will also be selling t-shirts and staffing the club information table. We are going to need all the help we can get so plan on coming out to support our club.

The car show season seems to be off to a good start. Being on the west side of town Pam and I go to some different shows from the rest of the club. The Heart of Ohio antique mall in Springfield has a cruise-in the first Monday of every month and Der Dutchman in Plain City has a cruise-in every Thursday evening through the summer. Both started off the season with over 100 cars despite much less than ideal weather. I know there are weekly events in Westerville and other places around town. It looks to me like our hobby is alive and well.

Our summers are short, make it sweet, drive your GTO.

2019 GTOACO Spring Club Cruise By Stan Farlow

The GTO Association of Central Ohio is an official GTO Association of America chapter. Our club's goal every year is to kick off the car season with an all Pontiac Swap Meet in March followed by a spring cruise in late April. We always have a good time at both events regardless of the weather April can bring at times in Ohio. In April of 2019, we were blessed with good planning, a good route, and cool sunny weather. Most people think of Ohio as either the flat plains of the northwest or the bluffs over the Ohio River Valley. Some car magazine readers have read articles about road tests that use a well-known route in the Hocking Hills. Central and Southeastern Ohio has many miles of winding 2 lane roads along ridges and valleys that will have you believing that you are no longer in Ohio. This year was our first time on the top of the ridges of state routes 519 and 250 around Adena and Martins Ferry, Ohio. A few club members drove their new generation GTOs, another Firehawk, and a couple of other cars but the older 68, 67 and 70 GTOs and a LeMans owned the day with 60 degree air and winding roads through the hills.

Normally we sort out a good route that leads us to a good restaurant (or winery) with maybe a stop or two at roadside attractions. This year we were fortunate to be hosted by Butch and Liz Miller who brought along Judge Frank A. Fregiato (the same Judge Frank Fregiato who writes the Quarter Mile with the Judge articles in the Legend). We all met for lunch at the Farm Restaurant in Adena Ohio. The Farm Restaurant is on top of a hill far enough out that we had an escort the last few miles to help find it. Far out but well worth the trip to visit this great restaurant.

At the restaurant, we were met by a news team from WRTF from Wheeling, WV for interviews and an evening news story. Club VP Brian D'Amico had quite a bit of time on the Wheeling, WV evening news. Judge Fregiato made an eye opening presentation about activities being promoted by local car clubs to fight the drug problem in Ohio. I always look forward to the Judges articles in the Legend. I didn't know that he presides over the drug court portion of the Belmont County Common Pleas Court.

2019 GTOACO Spring Club Cruise continued

Drug court is a voluntary path for eligible non-violent drug offenders who seek rehabilitation and want an alternative to prison sentences. It is a boot camp style program designed to rehabilitate drug offenders and teach accountability. An example of a drug court accountability practice is the 20, 30, 40 plan. All offenders are required to obtain and keep a job. When an offender states that they are unable to find employment, the requirement is that they perform 20 hours community service per week. If the offender continues to be unable to obtain employment they are required to perform 30 hours per week of community service. It's easy to guess where this is going. It turns out that most offenders, when faced with a full time job doing community service, are able to find some kind of paying job.

I took a bunch of notes during the Judges presentation. In doing some additional research I found this article from the May 2, 2019 issue of the St. Clairsville, OH newspaper "The Times Leader" <http://www.timesleaderonline.com/news/local-news/2018/05/drug-court-no-easy-road-to-rehabilitation/>. It turns out the Judge's efforts have been recognized in the US Senate and were the inspiration for legislation jointly introduced by Ohio and West Virginia Senators (Looks like this is no ordinary county drug court).

Judge Fregiato's attempts to implement existing and develop new practices that improve the courts' outcomes led to the conclusion that the only way to be completely effective was to stop people from entering the drug culture in the first place. Further, it was decided that intervention needed to begin in elementary school and even kindergarten in both public and private schools. To raise funds for the school programs, the "Belmont County Schools Staying Clean Car-Bike-Truck Show Festival" was created. Through extensive use of sponsors, the show has raised over \$63,000 for 2019 and the show isn't until September 14. Local schools are also involved in the planning and conduct of the show. The Belmont Career Center students are making the trophies out of used car parts.

2019 GTOACO Spring Club Cruise continued

The message is that car clubs can make a contribution to their communities.

After lunch and that overwhelming presentation, we proceeded to Butch and Liz Millers “man-cave” in Martins Ferry, OH. We had an escort involving several police cars and lots of lights—not a problem in your windshield but this many lights would be terrifying in your back window. The Millers purchased a building that had been an old time car dealership and turned it into a man-cave with space to work on cars. The garage was well stocked with Pontiacs. Butch’s comment was that every car had a personal story—like the 66 GTO that he sold new, bought back, and restored. The documentation includes all the original dealer related information that most of us could never obtain. Then there is the legendary 1965 GTO station wagon from Canada complete with tri-pwr and close ratio 4 spd. Not limited to GTOs there were 3rd and 4th gen Trans Ams and a couple of 1956s with restoration in the planning phase. Fieros were well represented with a rare 1988 Formula with T-Tops and two very low mileage GTs. Also, there were enumerable die cast cars, go carts, and signs from years past. All in all this is a very nice collection of Pontiacs in a facility that left us all more than a little envious.

As usual the best part of the day was the social interaction between our clubs members and with our incredibly cordial hosts. I always feel good when we can have 30 people together for a day with no drama and everyone having a good time. We certainly want to say Thank-You to Judge Fregiato who took several hours from his busy schedule spend the afternoon with us. Finally, we are indebted to Butch and Liz Miller for their help in planning, arranging for the restaurant and police escorts, and last for opening their wonderful facility for us to visit.

I hope you enjoyed our story as much as we enjoyed sharing it. After nationals, our club will be working on our 2 summer shows and planning to hit the road again this fall.
