Winter is almost over and a rough one it has been! It seems like every week in the last month, we've had one good storm with either flooding rain or a lot of snow (for Columbus) or a combination. I'll be glad when it is over as I'm sure you will be too.

Have you gotten your lodging and registered for the GTOAA National Convention in Lawrenceburg, Indiana yet? I got my lodging very early but registered my car just this past week. Get yours in! It's just outside Cincinnati so not far at all from home!

This month (March), we've got our Swap Meet, which is the official kickoff of the year for

our club activities, Daylight Savings Time (happens to be the same day so we get to lose an extra hour of sleep too!), St. Patrick's Day and the first day of Spring!

If you haven't contacted Rob Wilson to help out with the swap meet, please do. We need all the volunteer help we can get to ensure this even is successful! Don't forget that we had to move the event to March 10 and it is at the Franklin County Fairgrounds in Hilliard. Info on how to contact Rob is inside this edition in Tiger Bytes and on the officers information page. The meet flyer is in this edition too.

I hope you enjoy the pictures

from another great club Holiday Party! Thank you again to Lynne and Lonnie McLaughlin for hosting a wonderful party! They clearly are the hosts with the most!

This edition also has a quick review of the British Transportation Museum by Steve Schaeffer.

The March meeting will be back at the Hickory House in Gahanna. Come out early (5:15pm) for dinner with members ahead of the 7pm meeting time. I hope to see you there!

Until then have fun and stay safe!

—Kevin

# 's Letter

Spring is almost here even though it doesn't feel like it yet. It's time to plan this year's work on the cars and start getting ready for the cruising season. Our spring cruise is scheduled for April 27 and it will be here too soon for most of the season's car work. We have several cars that are progressing through the restoration process with a couple targeted to be complete for the GTOAA National in late June. I have several things to work on but nothing like a restoration, just stuff that needs to be done to keep the car "respectable".

I was sorry to miss the Holiday Party (but not sorry to be in south Florida and missing most of the winter weather). I understand our attendance was a little light but everyone who came had a good time. Lonnie presented Prevent Blindness with a check for \$1500 as a club contribution to its efforts. Prevent Blindness was founded in 1908. It has some remarkable and effective programs. Take a minute and look at its website, it will help you realize that this is a good cause for us to support.

Rob Wilson is one of the club's original members. He was inactive for a few years but came back about 3 years ago and is doing a great job of helping our club. He helped me plan a couple of cruises using routes I never would have found and is now our club secretary. He is also our swap meet chairman. The swap meet is going to happen on March 10; we have a great venue at the Franklin County Fair Grounds and a lot of interest from vendors. This will be our kickoff for the year so please plan on coming out and joining in with your club friends.

For many years Donna Landis chased down everyone in the club when their dues were due. I don't think you can imagine how many hundreds of hours she spent chasing folks down and then keeping track of who paid when. This year we decided to make everyone's dues due in January. We would make one effort to track down everyone and then go about other things. At the end of January we sent out postcards to the members who hadn't paid yet. So far we have paid dues from 41 members out of 90+ on the roster. There is some money still coming in but we are finished with the effort to go out and collect money. I hope you realize how many hours the officers devote to the club for free and how few people are willing to accept the positions. I will continue to look for ways to make the officers' jobs easier while keeping the club viable. Rob Wilson and I are working on a survey to collect ideas on where the club can improve or make itself more aligned with the activities that are interesting to the members. Anyone who is interested in helping should let Rob or I know.

Spring is on the horizon. It's time to be happy and get back to enjoying our favorite pastime. Come join us at the swap meet and get your cars ready for the season ahead!

## The British Transportation Museum by Steve Schaeffer

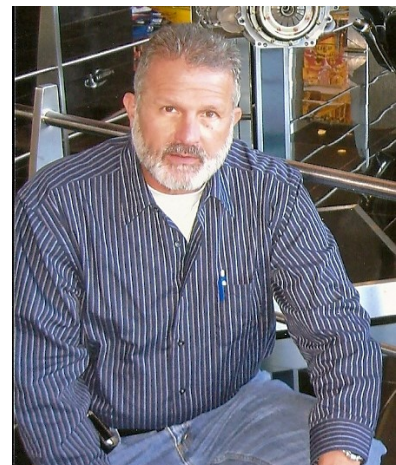

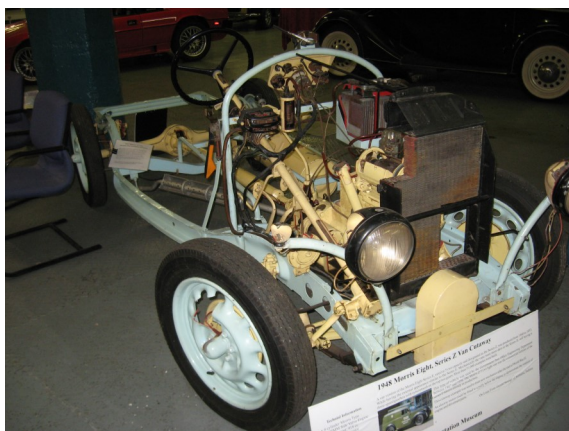

As winter drags on and you get cabin fever go to Dayton, Ohio. Besides the Air Force Museum, The Wright Bros., and the Packard Museum there is the British Transportation Museum. It is located at 321 Hopeland St., Dayton, Ohio 45417. Visit by appointment only, call 937-221-9568. Their web site is [www.BritishTransportationMuseum.org](http://www.BritishTransportationMuseum.org).

They are preserving history with a collection of 48 vehicles, 15 bicycles, a Ferguson tractor, and a Currach boat. There are several British race cars on display and a right-hand drive unrestored Packard convertible with a rumble seat. There are many cars on display that were not imported into the United States. In addition, on display is a factory cutaway of a 1948 Morris Eight, Series Z van and a cutaway of an Austin 1300 engine. As well as interesting memorabilia, a library, and paintings.

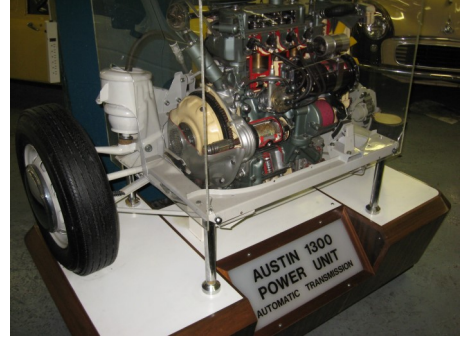

In the 1950's the British dominated the import scene with Jaguar, MG, Triumph, Austin-Healy, etc. At one time we had a lot of these cars in our inventory as well as English Fords, Vauxhalls, Hillmans, etc. There two biggest issues at the time appeared to be spotty quality control and problems with Lucas electronics. That helped open the door for the dominate VW Bug and then all the imports from Japan.

# Blast from the Past!

by Ron Cozzo

This Blast from the Past is from the August 1993 Paw Prints. It's not the first Norwalk show, but very early. Some things never changed, like Arnie Beswick. Some things have definitely changed, like this one day event is now a three + day event. And notice, we had two Pontiac on-ly magazines.
