Autumn is officially here with its cooler temperatures and its changing foliage. It sure is a beautiful time, but at the same time, its bitter sweet. Because it means that it's almost time to be putting the cars away for a winter's nap (winter projects not withstanding).

It also means that Colo's Classic Car Show is on the horizon (AKA The Zoo Show). Our club traditionally contributes a lot to helping run this show including parking and judging. If you can help, please let Stan (skfarlow@aol.com) and Jeff Inskeep (jeff.inskeep@inskeepbrothers.com). Please note that it is being held Saturday, October 3rd instead of its traditional Sunday

dates.

This time of year also means our club's annual meeting and elections. We are looking for nominations for officers in order to hold a vote at the October meeting. If you wish to be nominated for an officer or director seat, please let a current club officer know ASAP or plan to come to the October meeting. There is at least one officer position and perhaps 1-2 director seats up for you to consider.

We will also discuss the club operations for 2020 and what members would like to see change, improve or add for 2021.

I will also remind you that we have started regular meetings

back up at the Hickory House in Gahanna. They have set up our room so it is very easy to social distance. All their staff where masks as well. They were very happy we were back in August and sad that we were having our September meeting at the picnic. So I'm sure they'll be thrilled to have us back in October. Please come. We have a lot of business to take care of in that meeting and want all who can participate to join us!

I hope to see more of you at the October Meeting. It will be an important one for sure! Until then, stay safe, and healthy!

# 's Letter

We have had frost a couple of mornings and seen a couple of temperatures that start with a 3. It's officially fall and the car season is winding down. In September, we had a great Indian Uprising on Labor Day weekend and the club picnic had the best crowd we've had in several years. It's time to close out the season with our participation in the Zoo show on October 3rd.

The Indian Uprising was a good example of how we can support the Pontiac community. While the car count was similar to last year, we had several cars we hadn't seen before. We had many comments about how much people appreciated us not canceling the show and giving them an opportunity to visit with other Pontiac enthusiasts. The club car turnout was outstanding. The quality of cars overall was a step up. Also, the Quaker Steak and Lube management was happy enough to schedule us on the same weekend next year. We can all take a little pride in the club for making this happen.

In many ways I am glad to see 2020 coming to an end. At the same time we need to appreciate the efforts of all the club members that helped our events be successful. All of our events were first rate and the club showed that it can still conduct business while several other clubs are in hibernation. One thing I need to apologize for is the short notice of events that we have given to members this year. I understand that several folks aren't happy about having a couple of weeks or a months' notice of event details. This year has been a constant change in external rules. We chose to try to conduct club functions even though we weren't sure the event would be allowed until the last week or two before the event. The latest is the Zoo car show. We found out the show was actually going to happen in early September. We found out the details less than 2 weeks before the October 3 show date. I'm sorry that the short notice kept some people from volunteering. All I ask is that you understand this isn't a normal year and it's not how we want to conduct business. Thanks go to all the club members that were able to move their schedules around and help out at the show.

October 14 will be our second annual corporate meeting. The agenda is a little different from a normal meeting in that we will look at how we did over the last year and what we need to change for next year. Officers and Directors will be elected and we will set the charitable donation amount for the year. We need a quorum of officers and directors to be present. We talked about the officer slate at the September meeting. If you are interested in being an officer you need to let one of us know or be present at the meeting.

Soon enough we'll be putting our cars back in storage for the winter. There is still time to take a few more drives and enjoy our GTOs. Drive your GTO.

### *The Tigress Den*

As the car show season winds down it's hard not to look back and remember there were not very many shows to go to, in light of that I thought about how some of our older GTO members probably didn't even venture out to socialize with others like they would normally do. Here's an idea, maybe send an email to someone in your GTO club just to say "hello and how are you doing"? or if email is not your style give them a call. Keith and I attended our GTO club picnic this past Saturday and it was a good turn out but there were some people that I missed not seeing, although it was great seeing those who did come and good food. Fall has begun so here is a fun idea to try: buy a large pumpkin and small mum plant, carve the top off of the pumpkin, clean out insides, then put in the mum and set it out on your porch and watch it bloom!

# Meeting Minutes September 19, 2020

The meeting was called to order by President Stan Farlow

**In attendance were members:** Rob & Karen Wilson, Jeff & Jane Frazier, Brent Barnham, Bill & Karen Sigg, Jim & Kay Kaho, Keith & Connie Stevens, Jerry & Tina Brownfield, Ron & Linda Cozzo, Kevin & Cerina Russo, Brad Blackburn, Lonnie McLaughlin, Stan & Pam Farlow, Brian D'Amico

**Treasurer's report** – Treasurer Lonnie McLaughlin gave the report of the club finances. **Motion to accept** Kevin Russo, 2nd Brent Barnham

**Indian Uprising feedback** – Ron Cozzo reported that the Indian Uprising car show was a success with the help of many volunteers. The final count of Pontiacs displaying was 98 cars including club members cars.

**Car show judging sheet feedback** - The one judge per class change was successful. The change sped up judging and confusion that could happen with ties created during judging. Discussions for changes to next year's show were brought up including the judge of the class to pick the best of the class winner to alleviate any confusion in calculating a winner. The date for next year's show has been picked and date reserved with Quaker Steak & Lube. Motion to accept Brad Barnham, 2nd Pam

**2021 Swap meet** – Rob Wilson and Stan Farlow reported the date for the swap meet will be March 14th and not the 4th as originally planned. This was due to a scheduling conflict with the buildings. We do have both buildings again and since the 4th is the date for daylight savings change, we will be moving the start time up one hour. More to come in upcoming Paw Prints.

**Nomination of Officers and Directors for 2021-** Nominations are due by the October meeting and voting to follow. Stan is not going to run but offered to assist the new president with handling the legal side of the position including filing the proper forms. Brad Blackburn was nominated as was Brian D'Amico. Vice president nominations were for Kevin Russo as he is moving on from the position of editor of the Paw Prints and Karen Wilson is looking at taking the editor position over. Brent Barnham was also mentioned for the position of vice president. Lonnie McLaughlin has agreed to continue as treasurer and Rob Wilson has accepted to continue as secretary. Anyone can run for any position and nominations need to be submitted at or before the October meeting. If Brent or Kevin are elected as VP, their director seat will have to be filled so we will need nominations for directors.

**October Meeting Location** – The meeting will be at The Hickory House on October 14th. 5:30 PM pre-meeting dinner, 7:00 PM monthly meeting.

**Open Discussion** – Rob and Ron are attending the Ohio Valley GTO association cruise in at the Quaker Steak & Lube in Milford Ohio on Sunday the 20th. The last Der Dutchman cruise of the season is scheduled for September 24th. Delaware's unofficial cruise night.

**Motion for adjournment-** Kevin Russo, 2nd Lonnie McLaughlin

**Submitted by** Rob Wilson, Secretary

**Meetings  
held the 2nd  
Wednesday  
each month**
