The proceeds of the car raffle will be used to fund two scholarships—one for each organization named below—and will be awarded to hardworking, deserving youths. The Parker Lee Foundation has sponsored many events to raise money for great youth causes, particularly **ShortStop Youth Center** & the **Buckeye Boys Ranch**.

Check out [www.ParkerLeeFoundation.org](http://www.ParkerLeeFoundation.org) to read more about Eric's story. You can buy tickets online for **only \$100 each**. Don't forget this is tax deductible! Drawing will take place in September 2014. Act fast, only 500 tickets will be sold!
